

AMENDMENTS TO THE DRAWINGS:

Applicant's representative and the Examiner discussed on the telephone amending the figures to disclose a housing which was described in the specification and recited in the claims. FIGURES 1 and 8 have been amended to show a housing. FIGURE 8 has been amended to show an LED.

REMARKS

Applicants appreciate the Examiner telephoning Applicant's representative on November 9th and November 10th regarding the subject patent application. The Examiner will enter an Examiner's Amendment to place the application into condition for allowance. No prior art was discussed during the telephone conversation. On November 10th the Examiner telephoned Applicant's representative and indicated that the FIGURES were to be amended to include a housing. Applicants also have included an LED in FIGURE 8. Support for these drawing amendments can be found in at least original claims 1 and 34 and Applicant's specification.
